Rhino Conservation Team Project Response Rubric

Team # 4

1. **How well do these team information products fulfill the vision & goals of the team proposal?** I believe that this is a perfect depiction of what I had envisioned when I read the proposal
2. **How effective are these products for you as a user & stakeholder?** I think this particular poster is extremely effective....points are clearly made and it is an easily comprehensible poster with a lot of information
3. **What improvements do you recommend?** NONE... I love the color display and the eye catching appeal of the poster. A lot of information given but in an easy to digest way.

Comments: Thank you for the beautiful poster.
